FACILITIES MANAGEMENT

WEEK IN REVIEW

Congratulations! 2014 was our best safety year since we started the latest tracking metrics in 2010. With only 51 accidents, 2014 was down 5.6% from 2013. Of UAFM's 557 employees, 91.6% were accident-free in 2014. This good safety record is evidence of diligent and dedicated employees, the kind of people within UAFM. You all reflect well on the organization and upon the University, and I am proud of you.

Congratulations again on a year accident free!

Thank you all for making UAFM and the University a safer place to work, and let's see if we can make 2015 even safer!
