FACILITIES MANAGEMENT

WEEK IN REVIEW

With Sincerest Thanks!

Happy Thanksgiving to our Entire Facilities Management Team

From our Facilities Management Senior Staff, we would like to wish everyone a "Happy Thanksgiving" and enjoy the Black Friday Shopping.

We are "Very Thankful" that we work with such a great "Team" that provides outstanding service to the University of Arizona on a daily basis. Over this past year Facilities Management has accomplished a great deal and we appreciate very much everyone's hard work.

Our "Team" is great because of the professional way everyone services the university and it is a pleasure to work with such good people.

Enjoy the long weekend with your families and friends!

Thank you All!

Chris Kopach

*"Life is a united
effort of many*

*Be a team player
always"*

~John Wooden

Facilities Management in Action-Wildcat Welcome 2015

Once again FM stepped up to the plate and helped the University welcome new students. Beginning August 15th and over the week of August 17th, FM had over 150 volunteers help Residence Life with the Wildcat Welcome move-in. I want to thank everyone who participated for your friendly and positive demeanors. This was an excellent way for FM to engage our new students with a helping hand. The smile on this parent's face says it all!
